

SANIAH THOMPSON

FULL TIME STUDENT AT UALR

TO WHOM THIS MAY CONCERN,

I am writing to express my strong interest in securing a part-time position related to my major in web design and graphic design. As a dedicated and enthusiastic student, I am eager to apply my skills, creativity, and strong work ethic to contribute positively to your company. My academic background has equipped me with a solid foundation in creating visually appealing and

user-friendly digital content. I have honed my skills in various software applications, including Adobe Creative Suite, HTML, CSS, and JavaScript, allowing me to design and develop engaging websites and compelling graphics.

I have honed my skills in various software applications, including Adobe Creative Suite, HTML, CSS, and JavaScript, allowing me to design and develop engaging websites and compelling graphics. Moreover, I stay updated with the latest design trends and technologies to ensure that my work is both current and impactful.

I am confident in my ability to quickly adapt to new challenges and learn on the job. My determination to excel and passion for design have driven me to complete various freelance projects, allowing me to gain hands-on experience and enhance my problem-solving abilities. I believe that my ability to work independently, meet deadlines, and take initiative will make me a valuable addition to your team. In addition to my technical skills, I place a high emphasis on providing exceptional customer service. I understand that effective communication and collaboration are key to delivering successful projects. My interpersonal skills and willingness to listen to client needs enable me to build strong relationships and deliver projects that not only meet but exceed expectations.

Thank you for considering my application. I would welcome the opportunity to further discuss how my skills and experiences align with the needs of your company. Please find my resume attached for your reference. You may reach me at 501-412-1330 or niahg34@gmail.com to schedule an interview.

Sincerely,

Saniah Thompson
